

He's Coming!

"He's coming! He's coming! Look, there He is just as our forefathers told us it would happen." The people knew Zechariah had prophesied that Israel's King would come with justice, salvation and humility, riding on a young donkey. (read Zechariah 9:9)

The road into Jerusalem was crowded. Many Jews had come from all over the Roman Empire to celebrate the week-long Passover festivities, remembering the great exodus from Egypt led by Moses. Now they were looking for a king to deliver them from Roman rule. Many had heard of or seen Jesus' miracles. Some had been with Him when He raised Lazarus from the dead. The crowds were ecstatic. They "took branches of palm trees, and went forth to meet him, and cried, Hosanna: Blessed is the King of Israel that cometh in the name of the Lord" (John 12:13). Their cries of praise were the very words of Psalm 118:25–26.

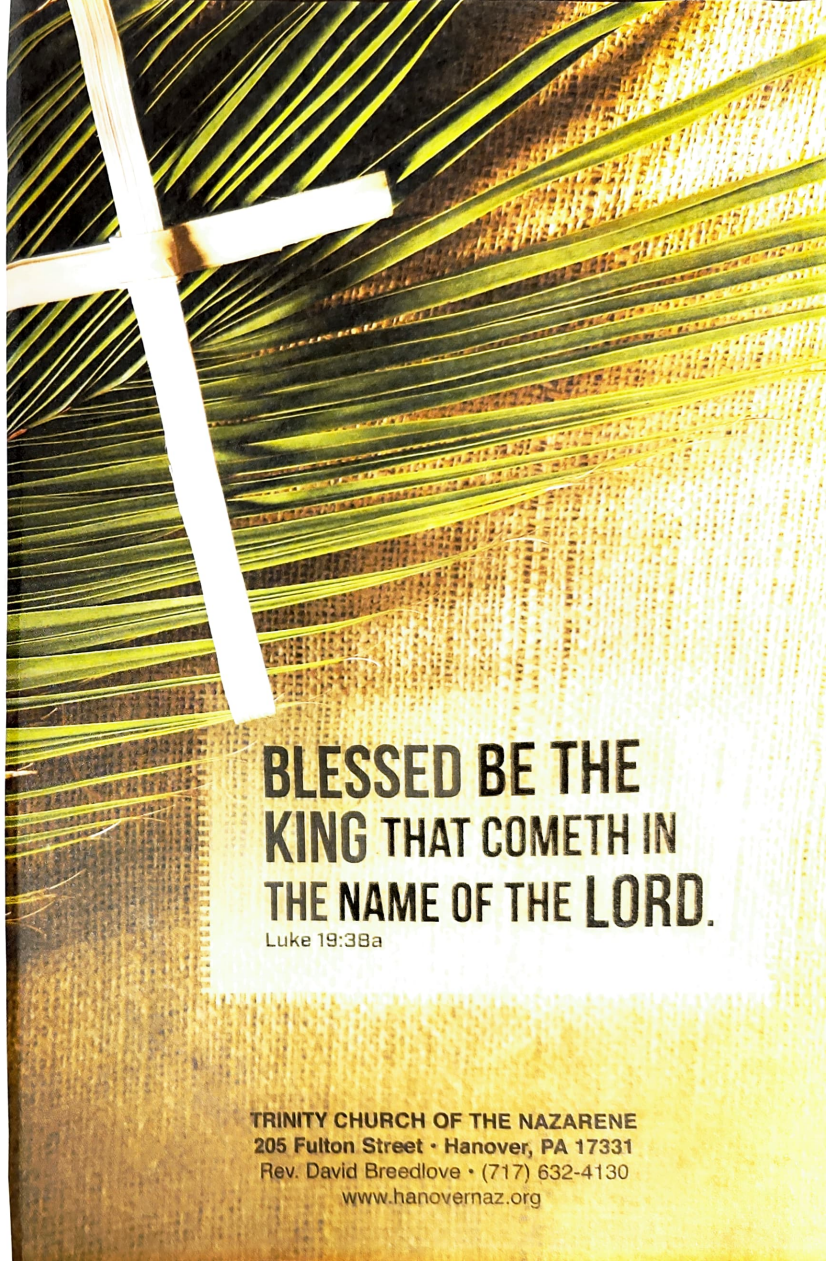

Although we might think the word "Hosanna" is an exclamation of praise, it actually means "save us!" "Save now, I beseech thee, O LORD" (Psalm 118:25). And that is exactly what Jesus was on His way to do! He was about to be crucified for our sins and gloriously resurrected so that all who believe in Him might be saved from punishment for sin and have eternal life in heaven.

The palm branches so exuberantly waved and strewed upon the road were symbols of victory from ancient times as well as used in rejoicing before the Lord (Leviticus 23:40). In the temple Solomon built for the Lord, carvings of palm trees were abundant and overlaid with gold (1 Kings 6). Victory was coming—just not in the way the people expected.

Today we plead with God for peace and victory in our troubles. He is the Overcomer. He is all-powerful. His answers may not come in the way we want or expect, but we can trust Him to deliver us in ways more exceedingly abundant than we can ask or think (Ephesians 3:20).
