Genesis 3

The fall.

In our world people are always trying to figure out what causes evil things to happen and how they are going to fix the evil things that have happened.

Do we take the time as followers of Christ to look back to the garden, to the Fall?

I want us to think about what happened to us when the Fall took place. We first lost our relationship with God. Adam and Eve walked in the cool of the evening with God. There were absolutely no distractions caused by the world they lived in. They were naked and did not know what that meant because there was no sin. All was pure and Holy.

To be honest we can not conceive what it was like. In our world we are so inundated with all the evil surrounding us, all the enemy's tricks and schemes we can't comprehend the lack of it. We are being attacked from every side. The ruler of this world is none other than satan. That is what happened in the Fall.

Ephesians 6:11-12 says, "Put on the full armor of God, so that you can take your stand against the devil's schemes. 12 For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms."

All as a result of the Fall. (Continued)
