Scripture: Matthew 6: 9 – 13

Temptation By: Rev Gerald Dunlap

“Lead us not into temptation but deliver us from the evil one.”

While we are focusing on Jesus Christ we must believe He is in control. We must trust in the Lord with everything we have. We must work hard at not allowing the enemy to have a foothold in our mind by thinking on the wrong things. We must dwell on Jesus, spend time with Him and dwell on His Word. Spend time praising Him, thanking Him for who He is and what He has done for us. Sing songs to Him. We must live our life to bring glory to Him.

As Christians we are a part of a kingdom that is at war. God’s people, God’s kingdom are under attack. Satan is doing his best to extinguish the fire of God’s People. Ephesians 6:10 says; ¹⁰Finally, be strong in the Lord and in his mighty power. ¹¹Put on the full armor of God so that you can take your stand against the devil’s schemes. ¹²For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.”

The church, the Christian are definitely under attack but through God the Holy Spirit we can be victorious! Amen!

Lead us not into temptation ... but deliver ... deliver us from the evil one.
